**Denmaur**  
Independent Papers

# Amadeus

A triple coated paper manufactured in Silk and Gloss finishes. The resultant print image benefits from excellent opacity in lighter weights, is enhanced and sharpened by superb ink gloss properties in both surfaces and comes with assurance of the highest environmental credentials from forestry practise through to energy efficient production and distribution.

## The Best of Both Worlds choice

PEFC fibre sourced within 100 kilometres of the mill - chain of custody assured. Local sustainable managed forestry growing a variety of indigenous hard woods - bio diversity encouraged rather than mono culture plantations. 82% bio fuel used in the pulping and paper manufacturing processes – low fossil fuel reliance and CO2 reduction.

## A Trio of good news

Top quality, environmentally sound credentials and best practise distribution.

Amadeus is manufactured by Burgo's Ardennes Mill in Belgium and is the perfect model of how virgin woodfree paper should be manufactured and distributed. PEFC chain of custody wood fibre is sourced locally to ensure chain of custody compliance. Bio mass from the wood source along with black liquor from the pulping process provides 82% of the mill's non fossil fuel energy and additionally creates surplus electricity. The hard wood provides superior opacity and an excellent surface for the triple coating process. The Ardennes Mill is able to dispatch stock paper to Denmaur Independent's Bardon warehouse and direct to clients within 2/3 days from receipt of order - now one of closest woodfree coated mills to the UK market. Denmaur Independent then use their own or outsourced transport from their centrally located UK warehouse to efficiently distribute paper to UK printers on a next day basis.

## Grammage range

90, 100, 115, 130, 150, 170, 200, 250, 300, 350 and 380 gsm

## Availability

UK stock – 24/48 hours delivery service

Mill stock – 72 hours from dispatch

Cutter reels to sheets – 10 days from receipt of order

Bespoke size makings - 3/4 weeks

Forest certified product

PEFC chain of custody compliant

# The Denmaur Independent Papers Group

A family run business, established in 1983 - totally independent UK paper merchant and paper management company.

The company has two divisions:-

## Markets

Publishing  
Catalogues  
Travel brochures  
Direct Marketing  
Retail/end user  
Leaflets  
Stationery  
General print

## Services

### ● Warehouse

Denmaur Independent has a central hub warehouse in Bardon, Leicestershire servicing stock paper in 24/48 hours

### ● Paper management

Denmaur Independent and Media Paper Management provide paper management solutions to suit clients' needs. The industry best TOPS system continues to be developed to provide a superior management service and data information

### ● Forest Certification

FSC and PEFC accredited to provide chain of custody

### ● Samples and dummy making service

Plain A4 samples  
Printed samples  
Mock up dummies to illustrate product suitability – wiro, saddle stitched and perfect bound

**From Belgium to Britain -**  
a truly green collaboration

PEFC hardware  
paper using 82% bio mass

reducing CO2 emissions  
Local

Full delivery - central warehouse and transport infrastructure measures

Good sourced within 100 km of mill - Pulp into P

Direct mill delivery - full loads supplied within 500km minimising Co2 emissions

# Amadeus - Stock Sizes and Technical Data

PEFC 70% certified. 90% of wood materials for production sourced within 100km of Burgo's Ardennes mill. Accredited with ISO standards, 9001 for Quality and ISO 14001 for Environment, along with EMAS environmental management system.
