

AMADEUS 50% RECYCLED SILK

Why ?

You could.....	How ?
CHOOSE YOUR RECYCLED FINISH	With 50% Recycled stock options available in Silk, Gloss, Offset or a Matt finish
MAKE YOUR IMAGES COME TO LIFE	With its superb surface and whiteness, Amadeus Recycled can easily print complex multi colour jobs as well as embossing, foil blocking and metallics.
HAVE LESS STOPPAGES	The super smooth surface of Amadeus Recycled ensures troublefree printing time and time again
SAVE EVEN MORE	If you have time, and are ordering a large quantity, why not order a bespoke size, which can be sheeted to your exact specification, reducing your waste even further.
HELP PROTECT AGAINST ILLEGAL FORESTRY	Amadeus 50% Recycled Coated is FSC certified. This is your assurance that the wood fibres in this product has been sourced from responsible and renewable sources with a traceable chain of custody covering the process.
SAVE MONEY ON WASTE	24 items from stock, many in both ream and bulk, mean that you can order closer to the size which you actually need for your job and press.
SAVE MONEY	5 CutStar reel items available from stock
